

Electronic Giving

Electronic Funds Transfer and Online Giving are convenient and reliable ways to fulfill your financial commitment to God.

- EFT is the most cost-efficient method of giving to the church, since it reduces administrative costs and helps maintain a predictable cash flow. To choose EFT, check the "I would like to setup EFT " section on the Generosity commitment card.
- You can also set up recurring and one-time online giving by visiting www.AtlantaFirstUMC.org/giving and let us know by selecting that option on the Generosity Card.
- Mailing or placing checks in the Offering Plate each week is still a good option and you are welcome to do that too!
- Look for a CashApp option coming soon for easy online giving.
