

October 11, 2026 - Pride Sunday Driving Directions

After 9:00 a.m. everyone must enter and exit via a dedicated one-way lane that can only be accessed via the intersection of Baker and Peachtree Streets. Please stop at the barricade there (it may be further down Peachtree beyond Baker, but enter at Baker and Peachtree Street). Tell the Parade Volunteer or APD officer you're going to the United Methodist Church. Follow the dedicated single lane on Peachtree and turn left onto Porter Place. It will be the reverse to exit. Peachtree at Pine Street will close around 11 a.m. Peachtree at Ralph McGill will close at 9:00 a.m.

Riding MARTA is strongly encouraged. The Civic Center station is the closest to the church, just a block to the northwest of Atlanta First UMC, along West Peachtree Street. It is on the RED-GOLD (North-South) rail line.
